www.essology.com

Manufacturers Address: Oral BioTech
812 Water Ave NE
Albany, Oregon 97321, USA

Material Identification:

Product Name: CariFree Oral Neutralizer Sugarfree Gum – Spearmint
Flavour

Ingredients:

Xylitol, Gum Arabic, Soy Lecithin, Calcium Acetate, Beeswax

Description:

CariFree Oral Neutralizer Gum is specifically designed to deliver decay-reducing xylitol and can also neutralize the oral biofilm with patent pending pH+ technology.

Studies show that regular use of xylitol-rich products can reduce your risk of tooth decay.
