Material Identification:

Product Name: CariFree Xyli-Tots Mouth Spray – Grape Flavor

Ingredients:

Glycerin, Hydrogenated Starch Hydrolysate, Natural and Artificial Flavors, Potassium Sorbate, Sodium Benzoate, Sodium Bicarbonate, Sodium Hydroxide, Water, Xylitol.

Description:

CariFree Xyli-Tots Mouth Spray is xylitol-rich, easy to administer, and comes in great flavors kids love. Xyli-Tots Mouth Spray fights cavities with xylitol, neutralizers the mouth after eating, and is safe to swallow.

Recommended Indications:

Use 2-3 sprays of CariFree Xyli-Tots Mouth Spray in mouth as often as needed. After meals and before bedtime recommended.

Contraindications:

None known. CariFree Xyli-Tots Mouth Spray is safe for use by adults and children.

Store at room temperature. Do not freeze.

Caution:

1. Supervise children's use for proper oral hygiene care.
2. In case of contact with eyes, flush with water and seek medical attention if necessary.
